

Q&A

Q. I recently saw an advertisement in the newspaper about a Bluebonnet Electric Cooperative Town Hall meeting. Can you tell me more about this event? Why is the co-op hosting this meeting and are any more scheduled?

A. You are in luck. Bluebonnet scheduled five Town Hall meetings to give our co-op members and the public the chance to meet the people who run the co-op and discuss Bluebonnet's future. While three meetings were held in February, there are two more this month.

On March 2, a Town Hall meeting will be held at Manor Independent School District's Board Room at the Central Office Building, 10335 U.S. 290 E., Manor; on March 3, the final Town Hall meeting will be held at First Lockhart Baptist Church's Connection Center, 200 S. Blanco St., Lockhart.

This is a great opportunity to meet Bluebonnet's executive staff and key personnel and learn about the benefits of being a member of an electric cooperative. Wonder when and why we need to be on your property? Just ask. Have questions about your account? Member service representatives will be on hand to answer all member-related questions. Want a security light installed like the one your neighbor has? You can request that service at the Town Hall meeting.

There will be information booths with handouts, door prizes and light refreshments. If the Town Hall meetings are successful, we may schedule them on a regular basis.

Can't make one of the five Town Hall meetings? You still have a chance to interact with co-op officials during the Annual Meeting May 10 in Giddings. That's when co-op directors are elected and Bluebonnet members hear a state-of-the-cooperative presentation.

If you have more questions about our Town Hall meetings or the Annual Meeting, call a member services representative at 800-842-7708 or email memberservices@bluebonnet.coop.
