Hundreds of residents of Caldwell and Hays counties depend on the 50 volunteers of Chisholm Trail Fire and Rescue in an emergency, and the crew often depends on Bluebonnet. "When we need the power cut to safely do our jobs, Bluebonnet's linemen are always fast and reliable," said Chief Mark Padier, below. He and Assistant Chief Hank Alex, in fire-fighting gear, consider Bluebonnet a part of their team. Thanks, Chisholm Trail, and all you other first-responders in our area, for your tireless dedication.

**"Bluebonnet is a partner in keeping our community safe."**
